

# Practical Response to Oil Spills

## PROS Course

O'Brien Oil Pollution Service, Inc. (OOPS) and Response Management Associates (RMA) are holding the annual Practical Response to Oil Spills (PROS) Course on September 17 - 18, 2008, at the Sheraton Houston Brookhollow in Houston, Texas.

The PROS Course is designed for Senior Executives, Facility Managers, Incident Commanders, Qualified Individuals and their alternates, as well as First Responders and Section Chiefs. The presenters, which include professionals speaking on relevant topics and the latest news about agencies such as the US Coast Guard, Texas General Land Office, and US Fish & Wildlife Service. In addition, these professionals will speak on the industries' current trends and issues.

OOPS provides Qualified Individual (QI) and Spill Management Team (SMT) services to over 150 Oil & Gas companies and 350 shipping companies, representing in excess of 5,000 ocean-going vessels operating in U.S. territorial seas. RMA is a highly specialized professional consulting firm that provides safety, environmental, and regulatory compliance services to the energy industry since 1992.
